SUBJECT: Evidence of Significant Community Support for Essential Community  
Facilities Projects

**PURPOSE/INTENDED OUTCOME:**

This Administrative Notice (AN) continues the requirement to obtain certificates of community support as stated in section 381I, of the Consolidated Farm and Rural Development Act (CONACT), (7 U.S.C. 2009h).

**COMPARISON WITH PREVIOUS AN:**

This AN replaces AN 4034 (1942-A), which expired December 31, 2005..

**IMPLEMENTATION RESPONSIBILITIES:**

As part of the application process, section 381I of the CONACT requires evidence of significant community support in the form of a certification of support for each project or facility from any affected local government body. The certificate is required for all Community Facilities guaranteed loans, direct loans, and grants.

With the exceptions of essential community facilities owned by a local public body or a federally recognized Indian tribe serving local residents or tribal members, a certificate of support must be obtained from each affected local government within the service area of the facility. The term "local government" also includes tribal governments when tribal lands are within the service area. The certificate of support must be signed by an authorized official of the local government.

EXPIRATION DATE:  
January 31, 2007

FILING INSTRUCTIONS:  
Preceding RD Instruction 1942-A

There is no requirement for financial support. The certificate of support should include sufficient information to determine that a community facility will provide needed services to the community and will have no adverse impact on other community facilities providing similar services. The organization is required to provide sufficient information to affected local governments as may be needed to obtain the certificate of support. For questions concerning this AN, please contact Yoonie MacDonald, Deputy Director, Direct Loans and Grants, 720-1501.
